

PEDBA'S Mission Statement:

To establish, promote and maintain business alliances and community partnerships in the Parkway East District by fostering a larger sense of community and to enhance the quality of life for Residents and businesses in the district.

PEDBA'S Direction:

To foster business alliances where they are part of a larger sense of community and rely on and work hand in hand on community and professional issues.

To create a reason for citizens and consumers to spend their leisure time and money within our Eastern Community versus going into other areas for their needs.

To create the idea of 'Community: with regard to how local businesses perceive themselves and develop a sense of 'service regarding those who live and work in the Eastern Area.

To provide a sense of connection by offering services to the local businesses, such as safety and crime prevention, seminars and networking opportunities.

To develop relationships between local businesses, churches, non-profit, service-related and community organizations.
