## ABOUT WEST END MERCHANTS ASSOCIATION

The West End Merchants Association (WEMA) was established in 1983 to promote and encourage the quality of the services provided by and the utilization of the West End commercial revitalization district and to improve the economic development and conditions of the West End community as a whole.

## ABOUT MAIN STREET BIRMINGHAM

Main Street Birmingham, Inc. (MSB) is a nonprofit organization under contract to the City of Birmingham to implement the BEACON program for neighborhood commercial district revitalization. BEACON stands for Business Enterprise and Commercial Opportunities for Neighborhoods. The program, an initiative of Mayor Bernard Kincaid and supported by the City Council, is targeting nine urban commercial districts to strengthen economic development by utilizing the National Trust Main Street Center's Four Point Approach™ of design, organization, economic restructuring and promotion.

For more information about joining WEMA and to learn more about the BEACON Program and MSB please visit [www.mainstreetbham.org](http://www.mainstreetbham.org) or call MSB at (205) 595-0562.

Scoreboard at Rickwood Field

## LETTER FROM BUSINESS ASSOCIATION PRESIDENT

The businesses of West End are grateful for your interest in our offerings. We hope that this directory provides you with the information you need to consider your community first for most of your needs. The West End Merchants Association looks forward to providing many other initiatives in the coming months as our organization resumes its activities of making West End your first choice.

Thank you again for your interest and we look forward to seeing you come and check us out.

Sincerely,

Ron Hatcher

Healing Garden, Baptist Princeton Medical Center (10th street SW and Tuscaloosa Avenue)

## LETTER FROM MSB EXECUTIVE DIRECTOR

MSB is happy to be assisting the West End Merchants Association in all of its activities. We feel that this directory is the first of what we hope will be several projects that will allow you to learn about the businesses in your own back yard. We hope that you find it useful.

An online edition of this directory will be made available on our website in the coming weeks, allowing updates to be made as needed. We will also provide additional information on activities taking place in West End as well as the other BEACON districts. We look forward to working with all of you as we work to improve West End.

Sincerely,

David Fleming
